E) VENUE INFORMATION

We are pleased to partner with PC & Mariska Ferreira from Khoisan Karoo Conservancy in the Northern Cape. The Khoisan Karoo Conservancy includes the Karoo Gariiep Nature Reserve & the Hanover Aardvark Nature Reserve. New Holme Nature Lodge is the Main Lodge with Miliefontein, Stoffels Rus & Karro Gariiep Tented Camp as additional accommodation options. The main Lodge is 8km off the N1 Highway between Hanover & Colesberg.

The *Karoo King of the Plains Shooting Range* is a newly built ELR range put together by PC with assistance from SendIt ELR Shooting & Impact Xtreme Shooting. The range caters for distances from 600m right through to 4000m, which will be used for world record attempts in the future. The shooting positions are elevated on a high ridgeline & look down onto the white grassy Karoo plain with the dark dusty topsoil perfect to show bullet impacts. Our aim is to have shooters see each & every missed shot.

The Shooting Range has been designed to allow access to & from the range without interrupting the shooting range. The New Holme Nature Lodge kitchen will be open for all breakfasts, lunches, suppers & during the day snacks. Clean toilets, refreshments, food & barrister coffee are available throughout the day at the shooting range. There is an onsite bar at the Lodge for a few refreshments after your shooting event is complete.
